KINGMAN WOMEN ATTEND NORTHERN ARIZONA FEDERATION

By Myra I. De Wolf.

Arizona women are seriously assuming the duties and responsibilities of citizenship. This fact is evidenced by the large delegations present at the annual meeting of the Northern Arizona District Federation of Women's Clubs, held at Flagstaff on October 14 and 15. Forty-seven delegates attended the convention.

The Thursday Afternoon Club of Kingman was represented by eight delegates. They were: Mrs. C. A. Warren, president; Mrs. C. J. Walters, Mrs. W. L. Linville, Mrs. S. T. Elliott, Mrs. W. C. Todd, Mrs. T. R. White, Mrs. M. B. Dudley and Mrs. W. P. De Wolf.

Routine business of the federation included the election of officers for the next two years. The new officers are: President, Mrs. L. B. McMullen of Flagstaff; first vice-president, Miss Blanche Parsons of Kingman; second vice-president, Mrs. W. P. Stewart of Prescott; recording secretary, Mrs. O. W. Schlueter of Winslow; corresponding secretary, Mrs. C. O. Lampland of Flagstaff; treasurer, Mrs. W. H. Robinson of Williams; auditor, Mrs. S. T. Elliott of Kingman.

Motion pictures as a vital present-day problem was considered in practically all aspects. Mrs. W. C. Todd of Kingman presenting the good features in her paper: "What Benefits Are Derived From the Movies?" Mrs. Todd handled her subject very cleverly, expressing the belief that many of the dull tasks of school work might be illuminated through the medium of motion pictures; also giving a vivid description of the beneficial results of wholesome amusement, provided by clean comedy, upon the stolid and the weary.

Mrs. J. H. Morgan of Prescott spoke on "Censorship of the Movies," giving facts relating to the efforts made to censor films produced, and showing how the standard of pictured drama can be raised by the efforts of women.

"Effects of Unwholesome Moving Pictures Upon Individuals," was the subject assigned to Mrs. Frank Harrison of Flagstaff, who presented this phase of the matter in a manner which gave proof of considerable earnest thought.

Mrs. T. H. Cureton of Williams gave a summary of the good and evil effects of the movies and made some timely suggestions in regard to fumigation of picture theaters.
